High Back Windsor Chair Elm and Beech 19th Century

Price

GBP 450

| USD \$608 | EUR 526

Item Reference: SA1210153

Date of manufacture: Victorian

Description

This image features a 19th-century antique elm and beech Windsor armchair. It is a classic high-back hoop design with a carved central splat. The chair is constructed with a solid elm seat and turned wooden legs. It shows a rich patina and warm color characteristic of antique country furniture.
