Description

A charming matched pair of finely carved hardwood figures depicting the iconic Laughing Buddha, each seated in a relaxed pose with flowing robes and broad, jovial smiles. The warm patina of the wood enhances the rounded forms and intricate detailing of the drapery and facial features. Of likely Chinese origin, these 19th-century carvings embody traditional symbols of happiness, abundance, and good fortune. A delightful decorative duo with great character, offered by Hutton-Clarke Antiques. Height 17cm, width 14 cm ,depth 12 cm
