Description

These mini tea caddies are very hard to find. This is a mininmahogany example with stringing to the edges of the lid. Inside are the two lidded compartments for the green and black tea. This lovely little box still retains remnants of the tin foil lining in the compartments. The lid is lined with the blue paper, popular in the early 1800s. This little box only measures 11.5cm w x 7cm d x 7cm h.
