This stunning Antique Diamond 'Toi et Moi' Ring features two Diamond Daisy Clusters in a crossover design modelled in 11ct Rose Gold. The Diamond clusters both feature chunky old-cut Diamonds that create a dazzling sparkle and add up to approximately 0.68ct combined. "Toi et Moi" means You and Me in French and refers to a ring that showcases two stones. These were common engagement rings during the late 19th and early 20th centuries, symbolising two souls that are intertwined. This dazzling ring noticeably sparkles even at a distance. This ring would make the perfect engagement ring or a great addition to any collection.
