Description

An antique Victorian arts and crafts walnut side table / lamp table dating from circa 1900. The oversailing rectangular top with a wavy edge, it stands on four shaped cabriole legs united by an under-tier. It features unusual gallery sides of turned spindles with asymmetric turned spheres. It stands on brass and ceramic casters and is stamped with a makers number underneath. A stylish small table in solid walnut, with good colour and patina, that would make a fantastic occasional table or would work well as a lamp table in a hall.
