## Description

A fabulous French Art Deco diamond ring set in 18ct white gold. This beautiful piece is set with a very bright and sparkling diamond of approx. 0.33 carats to the centre. This is surrounded by 12 smaller diamonds and the shoulders are set with a further 3 diamonds to each side giving a total diamond weight of approx. 0.75 carats to the whole ring. The geometric setting of the ring is a very good example of the Art Deco design of that period. The ring is set within 18ct white gold and is stamped to the outside of the band with the French Eagle which signifies 18ct gold. The spread of the ring head is extremely elegant measuring 1.7cm's across 1.3cm's in depth. The ring has a beautiful sparkle and could be worn as a striking engagement ring or as a very attractive dress ring. The ring is currently a UK finger size L but this can be resized for a perfect fit. Item code: 240426
