Description

A stunning oak dresser base with blind silhouette legs, c1760, original handles and locks (locks to 2 drawers only) with good colour. Dimensions of 203cms (80") long and 80cms (31.5") contribute to an elegant / sleek look. Restoration: Various historic restorations include the addition of a 2" rear overhang, obviously done a long time ago as patination / colour matches well, removal of floor height front stretcher, later tips to rear legs, additions to underside of drawers to aid smooth running.
