Description

This chest of drawers is in good condition. We have professionally restored it and then painted it mid grey. We then rubbed over the edges and waxed it giving it a stunning appearance. The chest of drawers would look well in an old or modern property in a large bedroom. Please be aware this is in one piece and I will require a hand off the van with it into your hallway. If it is to go up stairs your staircase needs to be straight with no turns. The chest stands on square back legs and round turned front bun feet supporting the main section. There are four large drawers. These drawers have round turned wooden knobs that have been waxed and contrast beautifully with the paintwork. The drawers have dovetail joints and are pine lined. The top is in good condition with a bull nosed edge and beading section beneath. There are turned columns to the sides. The height is 118cm, the width is 128cm and the depth is 57cm.
