Description

Antique silver Meyer & Studeli pocket watch, 1927. The watch has a Swiss stem-winding movement which is working nicely, and it is all protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is silver and there are hallmarks for Glasgow (import mark) 1927 with a sponsor's mark for Meyer & Studeli. Meyer & Studeli (MST) was a renowned Swiss watch manufacturer founded in 1905 in Solothurn by Fritz Meyer and Johann Studeli. They went on to become the renowned Roamer watch brand. The front of the case is in good condition. The back of the watch has some unevenness but it is fairly gentle and not too detrimental. The acrylic lens is in lovely condition. The dial is in lovely condition with blued steel hands, a subsidiary seconds dial and outer minute track. The watch comes in a new presentation box.
