Carousel Horse Early 20th Century

Price

GBP 2,200

| USD \$2,971 | EUR 2,573

Item Reference: SA1210894

Date of manufacture: 1920

Dimensions

Height = 141 cm (55.5")

Width = 120 cm (47.2")

Depth = 40 cm (15.7")

Description

A very handsome and attractive carousel horse. Constructed from pine and with the original paintwork which has faded over the years to leave this highly decorative finish. I believe it to be French possibly by the maker Bayol. It has a very naturalistic look very well sculptured and proportioned. Originally it would have been floor mounted and is now mounted on a metal stand.
