Description

A stunning antique Kazak rug, handwoven in the Caucasus mountains of central Asia circa 1900. The design features 3 striking medallions on an indigo field and unusual gold border. Note the interesting animal figures throughout the field. Highly collectible! Size: 2.43m x 1.62m (8ft x 5ft 4in) This rug is in good condition with light, age related wear. I have had several areas professionally restored in Turkey - the outer border has been rebuilt and 2 small areas rewoven (see photos). The original, pre-restoration photos are available on request. Fringes and selvages are secure and it has been professionally cleaned. Free worldwide shipping.
