Depth = 53 cm (20.9")

Description

A substantial and impressive antique English oak dresser, dating to the 20th century, crafted in the traditional country house farmhouse style. This large-scale piece features a classic open plate rack above, ideal for displaying ceramics or decorative items, with beautifully aged oak showing rich colour and character throughout. The base section offers excellent storage with multiple drawers and cupboards, making it both highly practical and visually striking. The solid oak construction, traditional panelled doors, and simple carved detailing reflect timeless English craftsmanship, perfect for kitchens, dining rooms, or interior design projects seeking authentic period charm. Its generous proportions and warm patina make it a true statement piece, combining functionality with classic antique appeal. Condition: Excellent antique condition with minor signs of wear consistent with age. Dimensions: Height 206cm x Width 170cm x Depth 53cm A superb example of a traditional antique oak dresser, ready for immediate use.
