Description

An attractive and well presented antique pine kitchen table. The antique table features a rectangular plank top above a single drawer to one side, fitted with a simple turned knob handle. Raised on turned legs, the table offers a practical and versatile form, comfortably seating four. The pine displays a nice warm colour and tone throughout, enhanced by a fresh coat of natural wax. Item Reference: M-6825 . Dimensions: Height - 74cm / Width - 122cm / Depth - 87cm / Knee Height - 58cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and water marks to the top (as expected with use). There is a split to the base of the drawer, however this does not affect its function. The table remains structurally solid and sound. Overall, a good example of an antique pine kitchen table. Our experienced carpenter thoroughly inspects, repairs, and restores each item in our collection to ensure it is fully prepared for use in your home.
