Description

A wonderful quality French Art Deco dining table. Sitting on a platform base with four legs with ormolu highlights. The top is oval in shape in a beautiful burr wood veneer. Dating to the 20's or 30's. The table has the facility to extend to 274 centimetres if required with three original drop in leaves each 50 centimetres deep. All recently cleaned and waxed and in excellent condition. There are two drop down legs which help support the table overall. (please note these are the original leaves each typically unpolished as the French tended to use a table cloth when extended but wonderful to have the ability to extend to this size.)
