Description

Very decorative 19th century English rosewood console table with fabulous concave front legs and square tapered legs to the back. Great size for a hall but also in a living or dining room for use as a server, display or drinks table perhaps. Very good book matched rosewood veneer to the table top and a fabulous rich colour throughout. The concave legs are wonderful, giving the table a Regency feel but also would absolutely work in a more Art Deco environment too. Measurements: 29 1/2 inches or 75 cm high 55 1/2 inches or 141 cm wide 22 1/4 inches or 56.5 cm deep
