19th Century Mahogany Station Clock Fusee Movement

Price

Sold**Item Reference: SA1211090****Date of manufacture: 19th Century**

Description

This is a good 19th century station clock or wall clock with a quality fusee movement in excellent working order. The clock is in beautiful clean condition having been fully restored and serviced so keeps good time running for 8 days and winding with the original key. This was originally retailed by A. Goode of Brighton and is a very smart example with the best quality cable driven fusee movement. The clock measures 16 cms deep by in 36 cms in diameter. UK insured packing and delivery is £20.
