Description

Elegant and highly versatile, this William IV mahogany games and worktable combine refined craftsmanship with practical design. The beautifully figured mahogany top flips over to reveal a striking chessboard, making it perfect for both display and play. Inside, it features a lift-out backgammon board, offering a second classic game neatly concealed within. Designed for both leisure and utility, the table includes a fitted drawer and a sliding upholstered work box—ideal for storing sewing materials, craft tools, or personal items. The drop-leaf flaps provide flexibility, allowing you to expand the surface when needed or keep it compact for smaller spaces. Supported by a finely carved pedestal base with elegant detailing, this piece reflects the timeless style of the William IV period while delivering multi-functional use for modern living. Key Features • Authentic William IV mahogany games & worktable • Flip-top surface reveals a chessboard • Lift-out backgammon board included • Fitted drawer for additional storage • Sliding upholstered work box for sewing or crafts • Drop-leaf flaps for adjustable width • Decorative pedestal base with carved details • Ideal as a ga...
