Description

A fine and unusual antique Regency mahogany glazed bookcase cabinet, dating from the early 19th century. Crafted in rich solid mahogany, this elegant piece features a two-door glazed upper section with adjustable shelving, ideal for displaying books, antiques or decorative objects. The lower section comprises a single full-width drawer above a cupboard base, offering practical storage while maintaining classic Regency proportions. The reeded front columns, brass and gilt mounts, and refined cornice detail highlight the quality craftsmanship and understated elegance associated with the Regency period. Raised on original feet with a well-balanced form, this versatile antique bookcase works beautifully as a display cabinet, library bookcase or statement storage piece in both traditional and modern interiors. Dimensions: Height 190cm x Width 106cm x Depth 62cm A rare Regency mahogany bookcase cabinet combining display and storage-ideal for collectors, interior designers and period home settings. Condition In good antique condition overall, structurally sound and ready for use. Showing age-related wear including minor marks, surface wear and signs of use consistent with ...
