Date of manufacture: 1910

Dimensions

Height = 40 cm (15.7")

Width = 34.5 cm (13.6")

Depth = 29.5 cm (11.6")

Description

A large Art Nouveau WMF champagne bucket or jardinière, cast in silvered metal with an organic, sculptural form. The body is richly modelled with repoussé-style flowers and trailing tendrils, rising into twin handles formed as stylised female busts with flowing hair. The rim flares gently above a rounded vessel, while the base resolves into an openwork arrangement of stems and leaves terminating in shaped feet.

Internal Ref: 49261
