Description

A magnificent, large Art Deco French clock with its pair of matching garnitures. Three well-modelled silvered ladies are positioned on top of the clock. The main body of the clock is made of highly veined brown and white marble and green veined onyx. It features applied gold-coloured metal decoration in a striking, stylised Art Deco design. The clock face is brass, with Art Deco black numerals and hands. The two garnitures, made from the same materials as the clock, are works of art in their own right and would hold pillar candles very well if required. All three pieces are in excellent condition, with just wear to the clock face. The clock strikes the hours and each half hour; it has just been cleaned and serviced by a qualified horologist and keeps good time. Clock. Height: 47cm Width: 66.3cm Depth: 15cm Each Garniture. Height: 22.7cm Diameter: 17.5cm
