Description

Mahogany workstation/Bureau (circa 1800s) Date of manufacture: Early 19th Century Mahogany bureau with lovely satinwood interior in excellent gently restored condition. Drawer runners have been carefully repaired so that the drawers run smoothly with no clonking when shut. The bureau is from the Georgian industrial age yet has a Dickensian look and feel due to retaining revived original glowing finish. A practical lap top compact workstation with plenty of storage a nest of drawers with partitioning for those odds and ends. In excellent antique condition throughout. Bureaus in this condition are fantastic value for money as well as being very individual pieces. Images of the ends will be added shortly. Fall height: 83cm. Height = 110 cm (43.3") Width = 99 cm (39.0") Depth = 52 cm (20.5") Should you have any questions or wish to discuss this item please call Stephen Alexander on +44 (0)7525 494 275. A pre-delivery inspection, clean and wax will be undertaken to ensure this piece arrives to you at its very best. Internal Ref 38 LV
