Description

This is a very sweet all original early 20th century solid oak French dining table. The oval shape makes this a little different and it has the added benefit that the sides drop down if needed. There are two solid timber pull outs that support the edges when in use and have neat pull rings. The overall quality is very high and the colour is wonderful. Ideal size for 6-8 sitters. Generous depth as well. Height 75cm Depth 133cm Depth (closed) 88cm Length 204cm
