Description

A delightful and sturdy Mahogany music cabinet from the Edwardian period, circa 1905. The lower cupboard is fitted with 4 adjustable shelves that could be adjusted or even taken out, so plenty of options. Really unusual to get the green leaded windows with bulls eye centres. The drawer above, is nicely carved and with the original brass handle.. All topped off with a carved mirror, mirror back shelf. Aside from a small fracture on the top the condition is very good.
