A 19th century elm stool

Price

GBP 145

| USD \$196 | EUR 170

Item Reference: SA1211464

Date of manufacture: 19th Century

Dimensions

Height = 43 cm (16.9")

Width = 26.5 cm (10.4")

Description

Nicely figure elm seat with original stained finish and original beech stretchers. A utilitarian piece of furniture designed for daily use. The raked angle at which the legs are set give the stool a distinctive look and also make it very stable, turned stretchers are added for good measure. Some typical surface wear and tear, structurally solid 43cm high, seat 26.5cm diameter
