Description

A Nice Pair of Antique Silver Plate and Mahogany Wine Coasters, designed to cradle a wine or spirit bottle on a table. Each coaster has a bright silver plated gallery with a pierced decorative band and vertical slot piercing below. The interiors are fitted with circular mahogany bases in a warm brown tone, turned with concentric rings and a central boss detail. The undersides are finished with green felt pads, helping to protect polished surfaces and prevent slipping in use – circa 1920. * They work beautifully as functional wine coasters, but also as small display stands for a vase, decanter, or even a pillar candle. Measurements: Height: 2 1/2" (approx. 6.5cm) Diameter: 5" (approx. 12.5cm) Total weight: 471g In good condition – The silver plate shows only light surface wear consistent with gentle handling and use.
