Description

A Pair of Nice Antique Silver Plated Knife Rests formed as a bar supported by stylised bull heads at both ends. The bull heads are cast with horn and facial detailing, lending a characterful traditional table theme – circa 1880. * Knife rests are small details, but they are the sort of detail that quietly signals a well-laid table. They lift the knife blade just enough to keep service tidy in the classic manner. Measurements: Height: 1 1/4" (approx. 3cm) Width: 3 1/2" (approx. 9cm) Total weight: 152g In good condition – The silver plate shows only light surface wear consistent with age and gentle use.
