## Description

A superb Japanese cedar mizuya chest in excellent antique condition, separating into two sections for easy movement. The top section has two sliding cupboards, one retaining its original hand-brushed inscription "Yamamoto," giving the piece strong authenticity. Below are multiple drawers with original iron loop handles and a rich, aged patina. The dark ironwork pairs beautifully with the warm, well-figured cedar grain. A decorative and practical tansu, perfect for kitchens, hallways, or modern interiors needing a striking statement piece. Internal reference : SAI4108
