Width = 69 cm (27.2")

Depth = 49.5 cm (19.5")

## Description

A characterful early 20th century multi-drawer filing cabinet, constructed in richly toned mahogany and with later ebonised oak carcass. The cabinet features an arrangement of small drawers, each fitted with original brass cup handles and label holders, giving it a strong Functional aesthetic typical of traditional shop fittings and workshop storage. The warm mahogany fronts contrast nicely against the darker painted carcass, creating a balanced and visually striking piece. Each drawer is traditionally constructed with hand-cut dovetail joints and solid timber sides, reflecting good quality craftsmanship. The interior shows honest wear consistent with age and use. A highly functional and decorative cabinet, ideal for organising smaller items while adding character to a space. H: 94 W: 69 D: 49.5 cm
