Description

This is a beautiful example of a ladies diamond cocktail watch made by the world renowned premier Swiss maker Omega. It has a solid 18ct white gold case with diamonds to the shoulders, the perfect cocktail watch. It has the highly reliable calibre 580 movement that has just been serviced, its running to original Omega specification. It has a new black Lizard grain strap with the original solid white gold Omega buckle. If you would prefer a different strap please let us know. It also comes with its original 1960s Omega strap but its become very fragile with time and is unwearable. The case measures 16mm in diameter and the watch head with diamond shoulders is 28mm in length. The only work we have carried out is to ultrasonically clean the case and service the movement. It also comes with original Omega suede fitted box these boxes were only used for Omegas highest standard jewellery watches. As you would expect from Omega the watch is fully marked on the dial, movement and case. The total diamond weight is 0.5cts they are high grade with lots of sparkle. Omega are one of the most exclusive makers in the world and this watch certainly has that understated eleganc...
