Description

This Cupboard is in good condition. We have professionally stripped and restored it ready for you to either paint or wax. We can wax this in a lovely antique brown bri wax giving it a stunning patina. Please email or telephone for a quote. The cupboard would look well in an old or modern property in a hallway or bedroom as a child's wardrobe. This is in one piece and extremely heavy and I will require a hand off the van with it into your hallway. Please make sure the pathway to your house is clear to get it into your property. Your staircase would need to be straight with no turns if it is to go up stairs. The cupboard stands on square legs supporting the main section. There are two large doors standing on their original brass pin hinges typical to the art nouveau era. The doors have a small bottom panel and larger top panel with a lovely beading upon them. There is a key to lock the doors. Behind the doors there are shelves for storage. The shelves are not fixed so more could be placed in if required. There is a lovely art nouveau carving to the top. The height is 183cm, the width is 113cm and the depth is 53cm. The internal depth is 48cm.
