Description

This chest of drawers is in good condition. We have professionally restored it and then painted it in a lovely black paint. We then rubbed over the edges and waxed it giving it a stunning appearance. The chest of drawers would look well in an old or modern property in a large bedroom. Please be aware this is in one piece and I will require a hand off the van with it into your hallway. If it is to go up stairs your staircase needs to be straight with no turns. The chest stands on square back legs and round turned front bun feet supporting the main section. There are three large drawers. These drawers have round turned wooden knobs and lovely metal key plate to the middle. The drawers have dovetail joints and are pine lined. The top is in good condition with a large bull nosed edge. There are fluted columns and carved corbels to the sides. The height is 110cm, the width is 126cm and the depth is 66cm.
