Description

Loving the look, condition and scale on this unusually shaped single drawer side table with 2 lift up/drop down leaves, late Victorian C1880. Leaning towards the Aesthetic Movement in design we have a single drawer opening by way of the charming little brass campaign handle, 2 well edged shelves supported by those rather handsome legs. Condition is pretty much untouched, no repolishing etc so we have some lovely wear, marks and a tone and colour that only age will generate. Just lovely! Dimensions Overall: Height 94cm x Width 100cm with Leaves Up & 55 When Leaves Down x Depth 61cm Drawer Inner: Height 12cm x Width 33.5cm x Depth 47cm Lower Shelves: Height from Floor, Top Down 50.5cm & 26.5cm (Space Height 23.5cm) x Width 45.5cm x Depth 55cm
