Description

These are a very attractive pair of early 1920s English armchairs of just the right size for a cottage, apartment or modern home. They sit well, classic English in style and are heavy framed with half hidden castors under bun style feet. Having been fortunate to have enjoyed a recent full professional reupholstery and seen little use since; with restrung springs, new webbing, new filling etc all carefully completed, so we are talking good support, well shaped round arms, decent filled seats cushions. The woven fabric is a floral leaf design in rust, greens and blues - very much William Morris in style with very little wear. Please note we have a matching 2 seater sofa if you desire a set. A super pair of well sized English armchairs ready to enjoy. Dimensions Overall: Height 87cm x Width 88cm x Depth 87cm Seats: Height 45cm x Width 47-43cm (Front-Rear) x Depth 59cm
