Description

This is a highly attractive early 1920s English sofa of just the right size for a cottage, apartment or modern home. It sits well, classic English in style and is heavy framed with half hidden castors under bun style feet. Having been fortunate to have enjoyed a fairly recent full professional reupholstery and seen little use since; with restrung springs, new webbing, new filling etc all carefully completed, so we are talking good support, well shaped round arms, decent filled seats cushions. The fabric is a woven floral leaf design in rust, greens and blues - very much William Morris in style with very little wear. Please note we have a matching pair of armchairs if you desire a set. A super and well sized English sofa ready to enjoy. Dimensions Overall: Height 88cm x Width 160cm x Depth 90cm Seat: Height 47cm x Width 116cm x Depth 60cm
