Description

Elegant French 1950s Graduated Cultured Pearl Necklace with 18ct Gold Clasp A beautifully elegant vintage cultured pearl necklace, dating to the 1950s and recently professionally restrung in April 2026, with each pearl individually hand knotted for both beauty and security. This graceful single strand is composed of beautifully graduated, perfectly matched cultured pearls displaying a soft creamy ivory tone and a rich, luminous lustre. The pearls graduate attractively toward the centre, creating a timeless silhouette that sits beautifully at the neckline. The necklace is finished with an attractive fluted cylindrical 18ct yellow gold clasp, French hallmarked with the eagle's head, and fitted with a traditional safety chain for added security. Sophisticated, timeless and endlessly wearable, this is a classic mid-century pearl necklace — equally perfect for elegant daily wear, bridal styling, or a very special gift.
