Description

Stunning Mahogany and Inlaid Moon dial Longcase Grandfather clock by Edward Shepley of Manchester C1800 Edward Shepley is well known for his absolutely stunning biblical inspired dials of excellent quality, along with fine quality movements including 3 and 4 train examples. Fine Quality Mahogany and Inlaid case in good original condition throughout. The clock with its excellent and rare "4 hand" painted dial with center "sweep" seconds hand AND centre sweep calendar hand, as well as the moon phase dial beneath the lunar calendar. 8 day 4 pillar rack & snail striking, deadbeat movement fully serviced, in full working order. Beautiful Swan neck pediment hood with marquetry paterae. Signed E Shepley of Manchester, the clock striking the hours on a bell. Measuring 95 1/2 inches in height (242.5 cm). An excellent quality and rare Georgian Mahogany Moon phase Longcase clock. More photo's and information on request. One of the finest painted dial clocks I have ever owned. Worldwide door to door shipping available, please email your address for a delivery/shipping quote.
