

SA1212003

Original Art Deco Diamond Platinum Engagement Ring

Price

Sold**Item Reference: SA1212003****Date of manufacture: 1930**

Description

A gorgeous original Art Deco east-west ring in solid platinum studded with white diamonds. Super sparkly, it strikes just the right balance between blingy and tasteful! **SIZE:** O (UK), approximately 7 and a quarter (US). The gem-set front section measures approx 9 x 17mm when measured straight across. The central trio of diamonds measure 2.5mm, 3mm and 2.5mm, totalling around a quarter of a carat. They're additionally surrounded by ten rose-cut diamonds which can't accurately be measured because of their irregular shape. **WEIGHT:** 3.0g. **MATERIALS:** Platinum, diamond. **HALLMARKS/STAMPS:** None; the stones and metal have been tested. **CONDITION:** The ring is overall in very good vintage/antique condition; under the loupe one of the smallest rose-cut stones looks to have been reset slightly at an angle but it is firmly fixed in place. **ERA:** Estimated Art Deco, c.1920-40.
