Description

A particularly appealing compact antique English chest of drawers, dating to the late Georgian period. At just 92 cm wide, this is a more versatile and sought-after size than many period chests - ideal for bedrooms, hallways, or where space is tight. It offers excellent storage for such a compact footprint with a classic two short over two long drawer configuration. Crafted in beautifully figured solid mahogany, the chest has developed a rich, warm patina over time; drawers have oval brass plate handles with scallop shell motif and run smoothly. Raised on shaped bracket feet, this is a handsome chest with clean lines that works equally well in traditional and contemporary interiors. In good antique condition, with age-appropriate wear and clean interior. SIZE GUIDE: Width 92cm Depth 53cm Height 88 cm
