Description

An excellent original antique Victorian mahogany leather top writing table / desk. This was made in England, it dates from around 1840-1860. It is of great quality and is a lovely size. The inset green leather top is beautifully hand coloured and gold tooled. This has turned mahogany handles, and has a polished back, so can be used as a free standing item. It stands on beautifully turned and fluted baluster legs terminating in porcelain casters. We have had this recently re-polished, the condition is fantastic for its age. There is just some minor wear beneath the polish here and there. This has a gorgeous overall patina and colour tone. Width – 42 inches , 106 cm Depth – 22 inches , 56 cm Height – 30 inches , 76 cm Knee height – 23 inches , 58 cm
