A fine Victorian mahogany chest of drawers, raised on elegant ring-turned feet, presenting a confident and well-balanced silhouette. The chest is arranged as two over three mahogany-lined drawers, offering generous and practical storage. Each drawer is adorned with oval cast brass plate handles, centred with striking lion's head motifs, providing a bold decorative contrast to the rich mahogany. The drawer fronts are framed by finely turned and carved columns, adding depth and architectural interest to the piece. The top is finished with a neatly defined thumb moulded edge, completing this handsome and refined example of Victorian craftsmanship. Presented in good condition.
