Description

London 1949 English hallmarked solid silver Kiddush cup or silver goblet with knopped stem and plain unengraved design, suitable for personalisation if desired. Made by Aaron Taitelbaum and Son. Kiddush is a blessing recited over wine or grape juice to sanctify the Shabbat or Jewish holidays. There are some line marks to the goblet and it is slightly out of round at the lip, but still quite a nice piece in good condition overall, and ready to be used. Size-4.5 inches high by 2.25 inches diameter Weight-60 grams. This would make a nice piece to add to a collection of goblets, or to use for important ceremonies.
