

SA1212102

Very narrow Genge runner
192x61 cm

Price

Sold

Item Reference: SA1212102

Date of manufacture: 1880

Description

A beautiful and unusual miniature Genge runner from the Western Caucasus. Glowing natural dyes and thick glossy pile throughout. Interestingly, the field contains two different classic Genge designs. Original selvages and no repair. This is a very scarce and useful narrow format for those tricky passageways and landings. Late 19th century.
