Description

An antique Khorasan carpet from North East Persia, a piece of scarce and impressive proportions, the pale, abraded, ivory-blue field and ivory border combination are very unusual features and sought after by discerning decorators looking for a mellow, classic country house carpet. Even low pile, traces of wear, deep cleaned with all ends and sides secured. Typical of its type, this piece has a lovely back with a little more colour and could be used frontside down if necessary. Circa 1880.
