Description

I think this has to be one of my favourite Qashqa'i kilims of all time! Bold yet with subtle, vegetable colours throughout, it has a huge presence. Made circa 1870-1880, no later, the kilim comprises diagonal bands of golden-yellow, rose-red, aubergine and a band woven in white cotton. In very good condition albeit with a few minor areas of restoration, this is a fantastic kilim and has to be seen to appreciate the beauty in the colours. I love it! Size: 3.05 x 1.46m (10' 0" x 4' 10").
