Description

A very well made antique 19th century large carved oak sideboard of the finest quality, executed in a striking Jacobean style and offering both grandeur and practicality. This is a substantial, heavy piece with exceptional craftsmanship and highly detailed carving throughout, showing immense attention to detail. The sideboard features two cupboards, one on either side, both beautifully fitted for practical storage. The left-hand section includes a drawer, while the right-hand section offers useful bottle storage. There are also two central drawers, providing additional everyday storage space. It is further enhanced by a raised gallery to the top, adding height and decorative presence. The piece stands on turned legs with supporting stretchers, giving it a strong and traditional construction. It displays a gorgeous oak grain and rich colour throughout, enhancing its impressive appearance. A very spectacular and highly desirable example that has to be seen in person to be fully appreciated. This breathtaking piece is beautifully designed and guaranteed to catch the eye of any visiting guests, making a perfect addition to any home. Product Reference : AF - 5620 Measureme...
