## Antique Button Back Occasional Chair for Recovering

Price

**GBP 275**

| USD \$371 | EUR 322

**Item Reference: SA1212554**

**Date of manufacture: Victorian**

## Description

A pretty Victorian Occasional Chair with hourglass shaped button-back, circa 1880, with sprung circular seat and raised on ring turned supports. A suitable size for a bedroom or small occasional chair. 3cm high, the seat 58cm wide max, 50cm deep and 35cm high. In structurally good condition but the fabric is grubby so for re-covering which I can arrange re-covering and also supply fabric if required, please get in touch for further details. The brass front castors are replacements.
