We just couldn't resist buying this!! Dating from the 1930's, this wrought iron sign was probably used in a hotel or public building. In a smart black painted finish with Art Deco style gold lettering, it harks back to a more glamorous age when utilitarian objects were made with care and attention to detail. This Art Deco sign is in good antique condition, stands well on a solid surface and is a fun object to place in a hallway and is sure to attract a lot of attention.c. 1930.
