Wonderful old paint layers to this very decorative mid 19th century French mirror, originally gilded with colour changes through the last 150 years or so, with traces of all visible which gives a great finish. The mirror can be hung "landscape" as shown, or can go "portrait" to suit your wall (I can move the hanging plates to your specification). The mirror glass is new, so there are zero blemishes and also it has a new backboard for stability and strength.
