Description

A Very Early 20th Century Search or Spotlight made by Bleriot Ltd. Circa 1905-1910. A very stylish lamp made by Bleriot Ltd, constructed of nickel over brass and now supported on an adjustable tripod stand of the same period. This lamp, originally powered by acetylene, and probably used as a marine or aircraft spotlight, is now converted to electricity. In original condition with the usual marks from age and use. It measures 155cm (62") high on the adjustable stand. Fully rewired with a new bulb holder and black fabric flex. The price includes insured delivery to anywhere in the mainland UK. If you require delivery elsewhere we are happy to provide quotes for a fully insured door to door service. If you have any questions or wish to see more photographs please contact us and we will be happy to help.
