Description

A stylish and very well made pair of Swedish Art Deco armchairs in satin birch and leather. They were recently imported from Sweden, they date from the 1930's. The quality is excellent, they are well sprung and very comfortable. The sweeping satin birch arms curve beautifully down to the front legs, giving them a sleek and curvaceous look. The satin birch has a lovely colour tone and wonderful grain patterns. We have had the frames stripped and re-polished to a very high standard, and they have been re-upholstered in a gorgeous brown leather by the previous owner. We have had the leather revived and enhanced by our leather restorer. The condition is excellent, with only some extremely minor wear remaining here and there.
